

Some Leading Organ Remedies

Nervous system

Avena sativa Ø

M.S.
Parkinsons disease
Motor neurone disease
Neuritis
Insomnia
Alcoholism
Numbness/ tingling sensations

Causations

Tranquillizers
Anti-depressants
Exhausting illness
Sexual excess
Alcoholism
Addiction

Scutellaria Ø

Nervous exhaustion - esp.
following influenza
Insomnia & nightmares
Nervous & sick headaches
Nervous fear
Twitching muscles

Flu or other debilitating
illness; burnout

Kali Phos 6x

Brain-fag
Nervous wrecks
Exhaustion during labour

Overwork; worry
Over-excitement
Study/exam nerves

Skin

Berberis aquifolium Ø

Acne; psoriasis; eczema; pimples; rosacea.
Dry, rough scaly skin conditions.

Echinacea Ø

Blood toxicity manifesting through the skin - boils, carbuncles, pustules, ulcers, suppuration, offensive discharges. Bites, stings & wounds slow to heal.
Useful support in M.E. with depression, lethargy, aching limbs.
H/O sepsis, blood poisoning, multiple vaccination etc.

Lappa-arctium Ø

Acne, pimples, recurrent boils & styes.
Eruptions on head, face, neck & extremities.

Skookum chook 8x

Inveterate skin disorders. Urticaria & eczema. Acts esp. well in rheumatic patients with uric acid build up (c/f Urtica).

Some Leading Organ Remedies

Heart

Crataegus Ø

Failing in elderly
Weakness or hypertrophy
Arteriosclerosis
Hypertension
Dyspnoea & dropsy
Diabetes in children
Insomnia
Irritability, short temper

Causations

Heart attack
Rheumatic fever
Stroke
Surgery

Strophanthus Ø-3x

Mitral regurgitation
Oedema & congestion
of lungs; dropsy
Arteriosclerosis

Smoking
Alcohol abuse

Cactus Ø - 6x

Endocarditis
Mitral insufficiency
Angina pectoris
Hypotension
Murmurs
Violent palpitations
Constriction sensation

Lungs

Lobelia Ø

Asthma and dyspnoea; asthma with gastric disorders.
Oppressed, rattling respiration. Empysema.
< tobacco, smoking
Helps eliminate foreign objects & particles

Spongia

Dryness. Rawness in chest
Rasping; ringing; wheezing; whistling
Sensation of suffocation.
Respiratory & heart disorders.
Sympathetic cough.

Some Leading Organ Remedies

Stomach

Hydrastis Ø-6x

Stomach, liver, gall bladder

Weak digestion; bitter taste

Gastric ulcer

Stomach cancer

Debility & emaciation

Chronic constipation

Sore & sharp pains in stomach

Thick, yellow, ropy catarrh

Alfalfa Ø

Anorexia & ill-effects

Lost appetite & weight-loss

Malnutrition

Wasting diseases

Lobelia Ø

Affects pneumo-gastric nerve

Nausea, vomiting, profuse salivation

Heartburn, acidity

Flatulence & dyspnoea after eating

< from or aversion to tobacco

Ornithogalum Ø

Cancerous or pre-cancerous states

Acid or coffee-ground vomiting

Excruciating pains

Pancreas

Syzygium Ø

Reduces blood sugar

Diabetes

Hypoglycaemia

Iris-vers

Affects pancreas & stomach

Sick headache

Pancreatitis

Periodic vomiting

Burning pains in pancreas

Some Leading Organ Remedies

Liver & Gall-bladder

Chelidonium Ø

Depression & lethargy
Gall bladder trouble
Floaters; bitter taste
Cold extremities
Exhaustion on awaking
Affects right lobe
Alternate constipation & diarrhoea
Pain right scapula
Craves hot things
< fats, alcohol, rich food
Yellowness

Causations

Hepatitis
Gall stones
Bilious attacks
Jaundice
Glandular fever

Carduus marianus Ø

Oedema
Varicose veins
Varicose ulcers
Portal congestion
Sciatica < stooping
Haemorrhage
Affects left lobe
Gall stones
Eruption on sternum

Alcohol - esp. beer
Influenza

Cholesterinum 3x-6x

Jaundice
Gall stones
Cancer of liver
Excess cholesterol level
Holds right side when walking

Spleen

Ceanothus Ø-6

Dropsy/oedema
Leukaemia
Haemolytic anaemia
Hypertension
Left-sided stitch

Abdominal injury
Glandular fever
Malaria (& NBWS)

Some Leading Organ Remedies

Kidneys

Berberis vulgaris Ø

Kidneys, liver, gall-bladder
& venous circulation
Haemorrhoids
Gout
Arthritis - knees esp.
Backache
Eczema
Radiating pains

Solidago Ø-3x

Scarring of kidneys
Chronic nephritis
Dark urine, esp. at night
Retention

Taraxacum Ø - 3x

Kidneys & liver
Detoxifies and drains excess water
Retention with heart weakness

Bladder & Ureters

Triticum repens Ø

Chronic mild cystitis
Inflamed urethra
Frequency & dysuria
Constant urging
Urine cloudy & acrid

Equisetum Ø

Bladder pain & fullness not > by urinating
Pain < at the close of urination
Acute urethritis - sharp, burning pain
Mucus in urine
Involuntary loss due to weakness of bladder
Albuminuria

Some Leading Organ Remedies

Prostate

Sabal serrulata Ø-3x

Enlarged prostate
Constant urging at night
Enuresis & dysuria
Cystitis from prostate enlargement
Epididymitis
Sexual debility

Ferrum picricum

Frequency at night with fullness and pressure in rectum
Retention
Smarting in neck of bladder and penis
Warts all over hands

Conium

Induration
Tendency to malignancy
Intermittent urinary flow

Other male reproductive tonics: Agnus-castus; Selenium; Caladium; Fluor-ac

Some Leading Organ Remedies

Some uterine organ remedies

Helonias

Organ remedy for *Sepia* or *Kali-carb* patients. Weakness, dragging and weight in pelvis and sacrum, with general prostration. Tired, backache women (*Sep*, *Kali-c*). Atony in women enfeebled by loss of blood; periods profuse, dark, clotted, offensive. Kidneys feels congested every month, with albuminuria and suppressed menses. Prolapse. Worn out by hard work. Better when kept busy, when mind is occupied. Conscious of womb, feels heavy and sore. Dragging in sacral region, with prolapse, esp. after miscarriage. Pruritus vulva.

Thlaspi-bursa-pastoris

Every other period is very profuse. Scarcely recovers from one period before another begins. Dark, bloody, offensive leucorrhoea before and after menses. Combination of uterine and urinary symptoms - frequency, gravel, chronic cystitis, renal colic.

Fraxinus Americana

Fibroids & tumors with bearing down sensation. Subinvolution. Prolapse. Enlargement of uterus causing sensation of heaviness, prolapse or backache. Cramps in feet.

Aletris farinosa

For patients who are anemic and exhausted. Tendency to prolapse. Periods early, profuse with labor like pains. Uterus feels heavy. Prolapse with pain in right inguinal region. Habitual tendency to abortion. Endometriosis.

Senecio

Amenorrhoea; menses retarded, suppressed; esp. in girls with backache. Before menses, inflamm. of throat, chest, bladder - > once period starts. Anaemic dysmenorrhoea.

Caulophyllum

Spasmodic, irregular and very severe pains; menses too early and too scanty. Dysmen, with pains flying to other parts. With rheumatism or arthritis of small joints; erratic, drawing pains, change place every few minutes. Lack of tonicity of womb - causing repeated miscarriage.

Secale

For thin, scrawny, feeble, bloodless women. Menstrual colic with coldness but intolerance of heat and covers. Irregular, copious, dark; continuous oozing of watery blood between each period. Threatened abortion at 3rd month. Dark, offensive leucorrhoea.

Trillium Pendulum

Profuse period every two weeks, lasting a week. Tendency to flooding & haemorrhage from over-exertion, post-partum, fibroids, displacement, menopause etc.
